J O A N C A M P B E L L

GUEST EXHIBITOR FOR THE

FESTIVAL EXHIBITION OF POTTERY

Joan Campbell, recently awarded the M.B.E. for her services to pottery in Australia, has opened a unique workshop in Freemantle, Western Australia, in the old Harbour and Light Boatshed. The workshop was set up to enable selected young potters to work fulltime alongside an accomplished craftsman - not being taught, but able to learn from the unique working environment.

Joan Campbell has held many one man and group exhibitions from 1969. A 1972 grant from the Australian Council enabled her to study in the U.S.A.

As a potter of world renown she is a member of the International Academy of Ceramics.

CHRISTCHURCH ARTS FESTIVAL

EXHIBITION OF POTTERY

BY

- CANTERBURY POTTERS ASSOCIATION 1978 -

SALES PROCEDURE FOR OPENING NIGHT:

There will be no sales until after the formal opening ceremony.

Sales attendants will be stationed around the display area, each being in charge of approximately 25 items. A purchase is effected when the attendant gives the buyer a card and affixes a red sales sticker to the pot. The numbered card MUST be taken this evening to the cashier's desk where your name and address will be recorded. Failure to hand in the card this evening will mean the sale is void.

Purchased items must be collected on Sunday 19 March, 1978, between 2 p.m. and 4 p.m.

Paul Fisher, Selector for this exhibition, has been potting for about 6 years, professionally for the past 1½ years. He went to Japan in 1976 and worked in Mashiko. Now back in Orari, South Canterbury, he is working with the Mashiko tradition in mind. Last year he received a Q.E. 11 Arts Council grant to help build a traditional Japanese 3 chamber climbing kiln, fired with wood.
