THE CONVENTION OF THE NEW ZEALAND SOCIETY OF POTTERS

NELSON 24 - 26 OCTOBER 1981

At the 16 A.G.M. of the New Zealand Society of Potters, it was unanimously resolved that membership of the Society be open to all the potters of New Zealand. Since that time, membership has increased many times over. The 17 A.G.M. is being held in Nelson this weekend, and in conjunction with this occasion, the Nelson Potters Association has organised many activities for over 400 participants.

This exhibition shows the work of those New Zealand Society members who are here in Nelson for the Convention. Also on display is the collection owned by the New Zealand Society of Potters. The potters of Nelson welcome the potters of New Zealand to our city, and we all welcome the public of Nelson to this exhibition.

Peter Gibbs
Convention Chairman
